PROFESSIONAL SUMMARY

Hello, my name is Utkarsh Verma and I am a full stack web developer with 3 years of experience. I enjoy creating websites and applications that are user-friendly, responsive, and secure. My goal is to keep learning new technologies and frameworks that can help me improve as a web developer. In my free time, I like to read blogs and books about web development trends and best practices, watch tutorials and courses on platforms like YouTube or Coursera; and participate in online communities like Stack Overflow or Reddit. I also enjoy playing video games, listening to music, and traveling.
